Friday P.M

Dear Mrs Grandy

I just started out to get something for dinner and found your card in the box so came in again to answer it.

I would love to come over Sunday but do not think it will be possible. I do not feel able to in the first place. I have been almost sick with a cold and have had a lot of work to do besides. Harry brought me a basket bkt of peaches 6 qts and today I put up nine qts of tomatoes. I made some fig jam too and tomorrow I have to clean house. when I can get hold of some green tomatoes I want to make some mince meat and then I'll quit. This hot weather uses us up. when the church is dedicated it will be cooler. Sorry I cannot come now write me all about it and every thing else

Lovingly

Mrs Archbald
